Warmers and Decanters

To compliment Cecilware's coffee brewer series, a complete coffee warmer system is the perfect way to enhance your coffee sales. By placing multiple warmers in various locations, e.g. waitress stations, coffee will be readily accessible. *Keep it fresh, hot and ready to serve!*

| Model # | Description | Width | Depth | Height | Ship Wt. |
|---------------|---------------------------|-------|---------|--------|----------|
| SW2CR (right) | 2 Warmers | 8" | 17 1/4" | 8" | 8 lbs. |
| SW2CL (left) | | | | | |
| SW3 | 3 Warmers | 8" | 21" | 15" | 15 lbs. |
| MW-2 | 2 Warmers | 14" | 7" | 2" | 6 lbs. |
| MR-2 | 2 Ranges | 14" | 7" | 2" | 6 lbs. |
| MWR-2 | 1 Warmer 1 Combination | 14" | 7" | 2" | 6 lbs. |

Combination elements can be used as either warmers or ranges.
Electrical: 120V, 15A plug-in, line cord included

For Your Convenience, Handles Are Available In The Following Attractive Colors:

NCD Decanters - Black, Brown, Orange, Red, Green, Gold, and Purple

CBL Decanters - Black, Brown, Orange, Purple, Blue, Teal, Red, Green and Yellow

From Convenience Stores to Restaurants to Office Coffee Services, coffee decanters are a necessary part of the coffee brewing cycle. Although coffee decanters come in a variety of styles, shapes and sizes, it's important to choose one that conforms to the hand for proper comfort and balance.

Cecilware's new "NCD" coffee decanters set new standards for commercial decanters. Designed with Cecilware's exclusive ProSet comfort and ratcheted Leak-proof gasket spout, pouring coffee was never this efficient.

Customize Your Decanter

Add a little spice to your business by having your insignia, logo or company name printed on any Cecilware decanter. Just call our toll free number and speak to our Customer Service Department or contact your local Cecilware Sales representative for more details.
